

## Meetings

The East Midlands South Hub meets three times a year to consider issues concerning or exciting Hub members, review our Action Plan, QA Review updates, school to school support and sharing leading practice presentations.

## Webinars

Though the priorities identified in our Hub Action Plan we schedule expert input from within and beyond the educational landscape to ensure that the Hub has access to high quality knowledge exchange.

## Steering Group

The Hub Steering Group exists to lead the culture of the hub, define priorities, support distribution of resources, liaise with school leaders and design impact and evaluation metrics which support continuous improvement.
